SENNA

Design Pablo Regaño

— Senna integrates versatility and refinement into modern contract furnishings. This programme is designed with an eye for detail. All models share the same soft design language, with a blind mounted seat and backrest on a slender steel frame. Senna is a stylish furniture solution for any interior.

Specifications

Stackability chair/bar stool: 6 (4 upholstered)

Seat height: chair 46 cm, bar stool 75/85 cm

Table height: 74/90/110 cm

Materials

Frame: powder coated steel 80% recycled content

Seat/backrest: beech plywood finished with oak veneer natural lacquered

Upholstery: flame retardant foam, premium Casala fabric collection and 3rd parties

Table top: chipboard HPL/melamine, plywood HPL, MDF HPL, SCL white

Wood: sustainable class A wood, sourced from responsibly managed forests

Senna's backrest is invisibly mounted to its frame, thanks to an ingenious connection

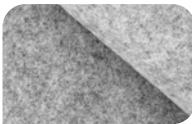

OMEGA

Design Favaretto & Partners

— New models have been added to the Omega seating programme. These models include a conference chair, a four-leg chair with armrests and a fully upholstered version. The characteristic design language of the Omega family ensures a harmonious interior in a variety of business spaces.

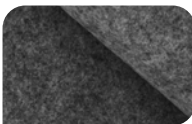

Sandstorm F06

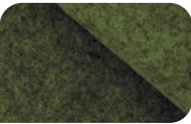

Light grey F02

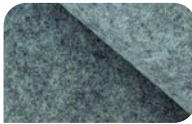

Sapphire blue F03

Anthracite F01

Moss green F05

Aquamarine blue F04

Omega's felt shell is made from up to 100% recycled PET

Specifications

Stackability four-leg chair: 6
Seat height: 46 cm

Materials

Frame: powder coated steel 80% recycled content
Aluminium parts: 100% recycled content
Shell: felt, 100% recycled PET (anthracite/light grey)
Stacking plate: 100% recycled ABS
Upholstery: flame retardant HR foam, premium Casala fabric collection and 3rd parties

Awards

KYOTO

Design Kateryna Sokolova

— The soft, rounded lines of Kyoto exude hospitality. Ideal for an inviting atmosphere in business environments, focused on both lounging and interaction. The back cushion provides subtle ergonomic support for an even more comfortable sitting experience. Kyoto adds style and comfort to lounges and reception areas.

Variations
1- and 2-seater, duo upholstery

Specifications
Seat height: 43 cm

Materials
Frame: poplar plywood, steel 80% recycled content
Upholstery: HR foam, Dacron, premium
Casala knitted fabric collection and 3rd parties
Wood: sustainable class A wood, sourced from responsibly managed forests

SOLID

Design Maarten Olden

— Solid is an efficient landing place for informal activities and promotes interaction, in keeping with today’s dynamic work culture. The design focuses on rounded corners, with the seat elegantly recessed into the base. With the stackable Solid bar stools, multifunctional spaces are quickly transformed for workshops, brainstorming and team meetings.

Specifications

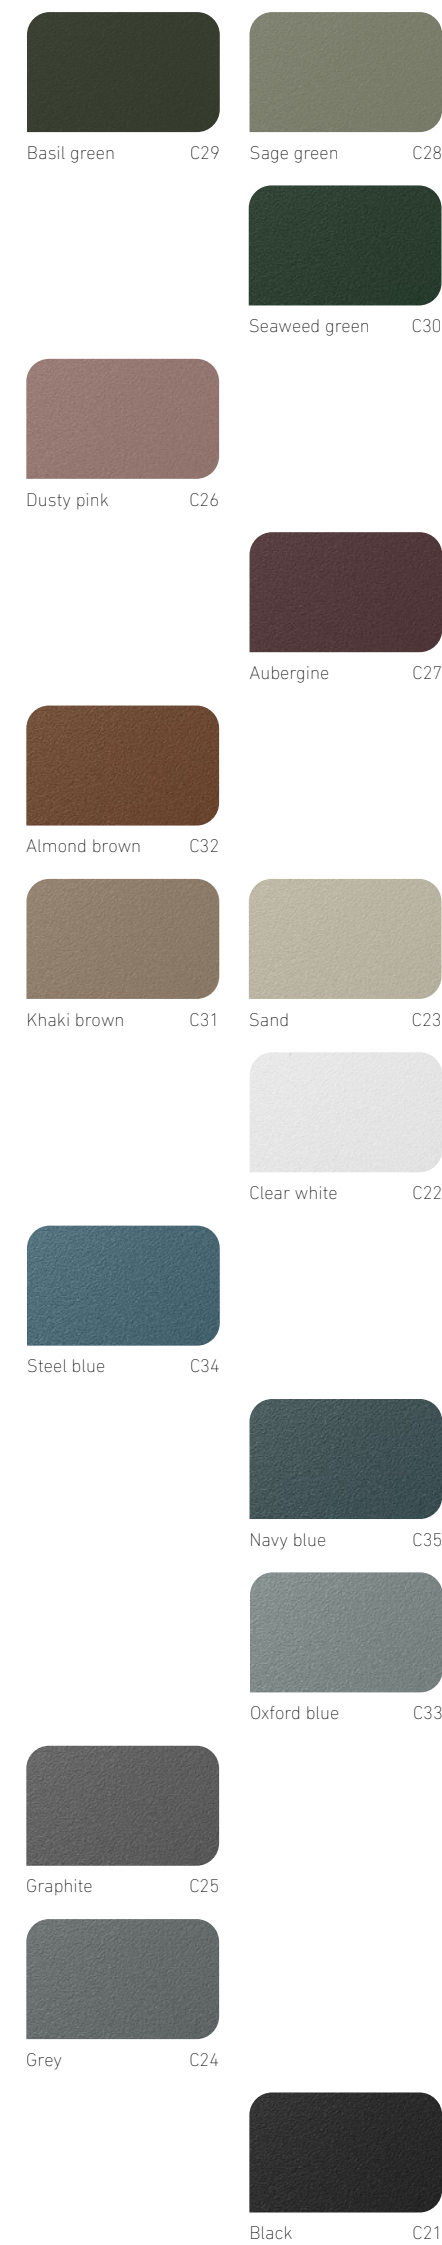

- Stackability stool: 8
- Stackability counter- and bar stool: 4
- Seat height: stool 46 cm, counter stool 62 cm, bar stool 76 cm
- Table height: 74/90/110 cm

Materials

- Frame: powder coated steel 80% recycled content
- Aluminium parts: 100% recycled content
- Seat: beech plywood finished with beech veneer natural lacquered or stained
- Upholstery: premium Casala fabric collection and 3rd parties
- Table top: chipboard HPL, plywood HPL, MDF HPL
- Wood: sustainable class A wood, sourced from responsibly managed forests

Curvy includes 100% recycled
plastic seats and backrests
in 15 new colours

CURVY CIRCULAR COLOURS

Design Sigurd Rothe

— Casala introduces a new colour palette for Curvy's plastic seat and backrest. All plastic parts are made entirely from 100% recycled material. This marks two decades of success and innovation with a focus on sustainability. The new colours make a powerful statement and give a contemporary look to the iconic Curvy design.

Specifications

Stackability chair: 6/45 on a dolly

Seat height: 46 cm

Materials

Frame: chromed or powder coated rod steel

40% recycled content

Seat/backrest: plastic 100% recycled content

Awards

KABANNA

Design Santiago Sevillano

— Kabanna is a stylish room-in-room solution for meetings in open office environments. Its unique design is not only visually appealing, but also a well-considered choice with the slats ensuring privacy and maintaining openness. The upholstered ceiling optimises the acoustics, so that conversations remain discreet and sound natural.

Kabanna's slats provide privacy whilst maintaining openness in any environment

Specifications

Dimensions (WxHxD): 314x225x225 cm
Seat height: 45 cm
Lighting: downlighter 2700K
Options: electrification, motion sensor and pendant light

Materials

Upholstery: premium Casala fabric collection and 3rd parties
Table top: 27 mm MDF HPL, edge H
Floor: OSB, finish PVC
Wood: sustainable class A wood, sourced from responsibly managed forests

GABO MEETING

Design Mario Ruiz

— Gabo Meeting is a meeting place that fits the needs of dynamic office environments. Whether it concerns informal meetings or project-based working, Gabo Meeting is the right setting for each interaction.

Variations

2- and 4-seater, duo upholstery

Specifications

Seat height: 45/76 cm

Materials

Frame: powder coated steel 80% recycled content

Seating elements: poplar plywood, OSB, HR foam, Dacron, fabric

Hood: plywood, Dacron, fabric

Upholstery: premium Casala fabric collection and 3rd parties

Table top: plywood oak veneer

Electrification: netbox optional

Wood: sustainable class A wood, sourced from responsibly managed forests

RIVA

Design Robert Bronwasser

— The modular seating programme Riva is more versatile than ever. The addition of curved seating elements opens the door to even more organic configurations for business interiors. The wall elements make it easy to apply zoning in open environments. Practical features such as raised table elements and multifunctional trays also contribute to an attractive and organised waiting and break out area.

Materials

Frame: powder coated steel 80% recycled content

Seating elements: poplar plywood reinforced with metal brackets, HR foam, Dacron, fabric

Upholstery: premium Casala fabric collection and 3rd parties

Table element: 21 mm HPL plywood, standard 12 mm SCL white

Wood: sustainable class A wood, sourced from responsibly managed forests

SHIFT

Design Gower + Woolf

— The minimalist design of Shift brings flexibility and style to any lobby. This collection of coffee and side tables is made from 100% recycled steel. The models vary in height and can be easily combined and moved. The plastic trays are entirely made from 100% recycled material.

Variations

Coffee table: high and low

Side table: high and low

Materials

Table: powder coated steel 100% recycled content

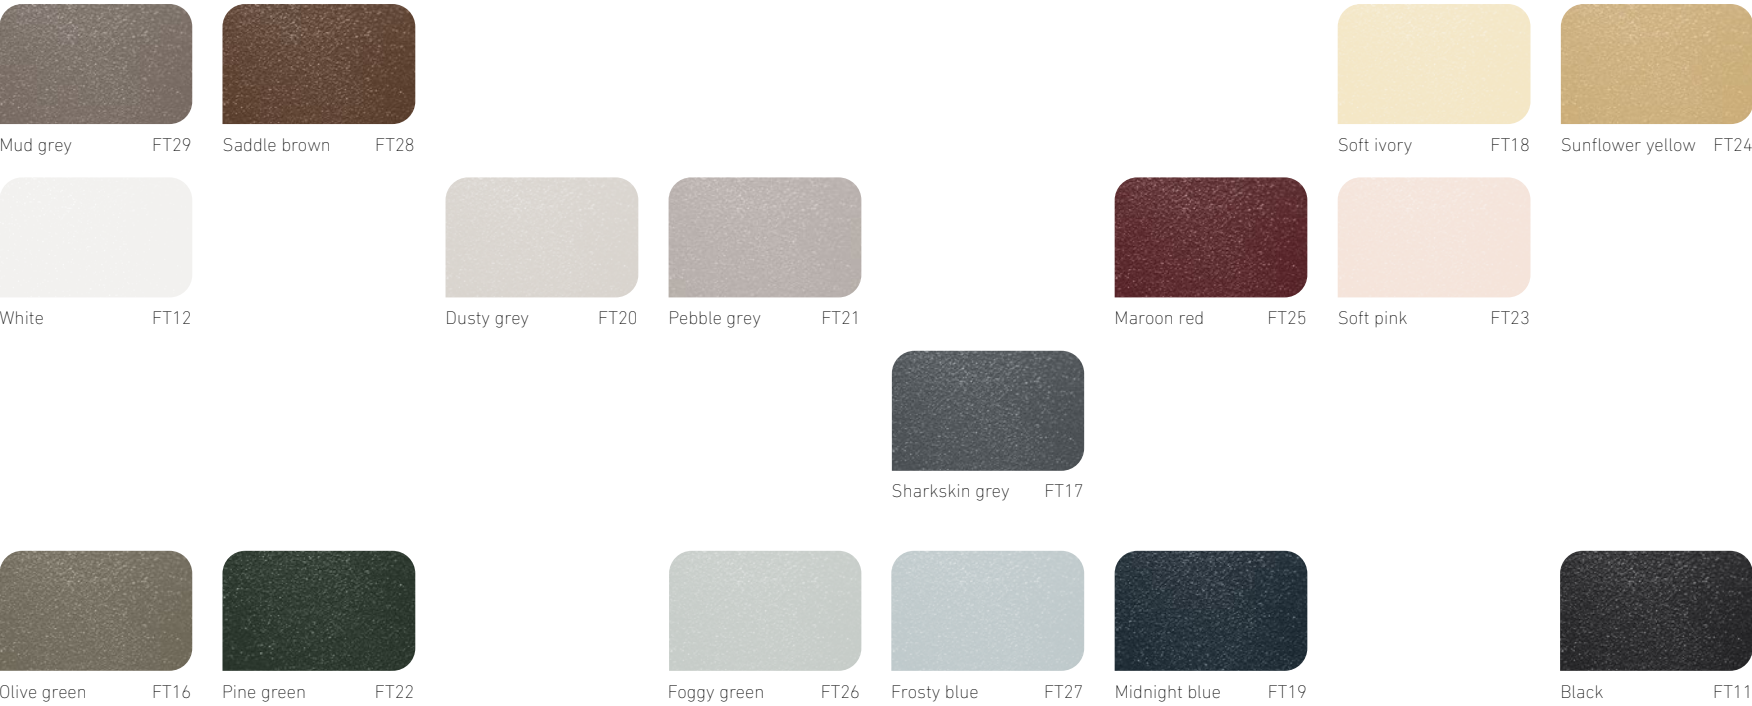

Tray: high impact polystyrene 100% recycled content

Shift tables and trays
are made from 100%
recycled material

NEW POWDER COATING COLOURS

— The fine texture powder coat collection has been expanded with the colours Saddle brown and Mud grey. These additions are inspired by current design trends and give our furniture the right nuance for a natural and contemporary look in business interiors.
